To Whom It May Concern,

Thank you in advance for your time and consideration of supporting the **Music Therapy Ride** powered by **Music Heals Charitable Foundation** and **Bikers for Autism** on **August 24<sup>th</sup>, 2019**. This year's event will be our biggest ever, as we anticipate 300 motorcyclists riding up the majestic Sea to Sky from Burnaby to Pemberton, BC raising funds and awareness of the healing powers of music with a special focus on programs for patients on the autism spectrum.

The items you donate for our silent and live auction will serve to increase access to music therapy for those that need it most. For every \$75 we raise, we can add one hour of music therapy by an accredited music therapist at a recognized facility.

Music Heals is a Vancouver-based foundation that raises money and awareness for music therapy. In our first four years in operation, we have donated over 1 million dollars to music therapy programs across the country, with a focus on BC. These programs serve children, seniors, palliative care, AIDS & HIV, bereavement, burn units, autism, dementia, mental health, at-risk youth, rehabilitation and more.

Help us reach a new fundraising goal, Saturday, August 24<sup>th</sup> 2019!

Registration and further sponsorship information will be available soon at [www.MusicHeals.ca](http://www.MusicHeals.ca)

We greatly appreciate your consideration and please contact our Live & Silent Auction Coordinator directly at [Cindy@musicheals.ca](mailto:Cindy@musicheals.ca) if you have any questions.

Sincerely,
