MOTORCYCLE
RIDE

Music Heals presents the Music Therapy Ride in partnership with Bikers for Autism! Join us as we ride the majestic Sea to Sky for a campout party under the stars in Pemberton BC with live festival style performances!

This event brings together prominent members of Vancouver's business community, music fans, music therapists and motorcycle enthusiasts—all sharing the love of music and partying with a purpose; to music therapy to those most in need!

Since 2001, MTR has raised more than \$1 million enabling the delivery of 24 music therapy programs and the production of 11 Bandwagons—innovative mobile recording studios used by therapists at care facilities including B.C. Children's Hospital, Ronald McDonald House, Canuck Place Children's Hospice and more!

The 2019 Music Therapy Ride anticipates 300 motorcyclists participating in our VPD Motorcycle Drill Team escorted ride raising funds and awareness of the healing powers of music with a special focus on programs for patients on the autism spectrum. Once at the Rise & Shine Retreat guests will have access to camping, beer gardens, food services and epic live performances.

BIKERS FOR AUTISM SOCIETY

The **Bikers For Autism Society** launched in 2012 as a result of Founder James Baker's passion for motorcycles and the journey of family members living with Autism Spectrum Disorder (ASD).

Bikers for Autism (BFA) has been actively creating unique events, programs along with fundraising initiatives to generate awareness, acceptance and inclusion in support for individuals and families affected by ASD.

BFA Fundraising initiatives support multiple community programs, such as Surfs Up Event-Sponsored by Ripcurl, Little Heroes Hockey Academy and the PAFC Music Therapy Studio and Racing with Autism.

In 2019 BFA is broadening it's support with the addition of "Moment to Breathe" program based around providing respite care for families and individuals living with Autism Spectrum Disorder.
